Cynthia Barnes
Student Body President

I have enjoyed representing you as your Student Body President. When I first ran for the office, I knew there would be a lot of responsibilities and sacrifices, but I didn't realize how much until I became involved with Executive Council and Leadership.

These groups try to solve the problems student body's and fulfill its goals and desires. But it's hard to do this without the support of the students.

I personally thank you all for participating in and supporting school activities this year. You have reflected well upon our school. I hope in years to come that future student bodies will have as much or more initiative and pride in Crenshaw.

To future presidents I say, "Being involved and knowing your student body is the key to success."

Editor Vanessa Gaston on her J.

We, the Journalism Class, produced the "Cry of the Cougar." Writing articles for the newspaper took a lot of hard work and determination. I am proud to say that we put forth all our effort to make the "Cry of the Cougar" a good paper.

Thanks to Qmii Jackson, who took most of our pictures. A very special thanks to Mrs. Sewell for her patience and help.

"Satisfaction"

People gather round me and just take yourself a seat.
We got a brand new thing and we call it Cougar's heat.
Each time we pass your way you know you've got to say
The Cougar's got it good and they're doing' it like they should.

That's satisfaction, hey in Cougars action, ah
That's satisfaction, hey in Cougars action, well.

That satisfaction we lay on you ain't nothin' from A to Z
Don't hesitate, we're up to date and strictly from the big "C"

These colors that we strike you with
ain't nothin' but gold & blue
We'll chew you up and spit you out
'cause Cougars can do the do

Mighty Crenshaw Cougar Marching Band

A.M.

The mighty Crenshaw Cougar Marching Band is a performing organization of Crenshaw High School.

It provides entertainment to the school and community at football games, parades, fund-raising events and other invitational performances. Its "trade mark," the Big Breakdown, has been seen and admired at Disneyland and Magic Mountain. Our band combines the elements of flash, vocal routines and songs.

Stepping faster than any other band, Crenshaw is ranked as one of the tops in the city.

These fast-stepping Cougars are led by the city's best drum majors, and are conducted by James Woodson, the school system's greatest director.

Our band is among the many things Crenshaw has to be proud of.

Underclass People

Junior Class

We the class of "76" are here to be heard and will leave unforgotten. Our strength, courage and spirit will linger in the minds of all those we leave behind.

Our class has supported and participated in our activities, making each one a success. Already we are one of the most spirited classes to have attended Crenshaw. We will move on to become the best class.

We are united as one, standing tall with dignity and with pride. We are the "Spirit of '76".

Our award-winning badminton team finished second in the City-West League with a 4-1 record.

In the third annual girls' all-city team finals, we beat Taft in the first round, but lost to Banning in the second.

Carla Sayles & Sharon McKenzie, our "B" doubles team, went all the way to the all-city finals and took second place. Loyal & devoted players all season, they showed team authority & enthusiasm in beating Huntington Park, Sylmar & Marshall.

For the second consecutive year Honour Henry won her place in the "A" singles & participated in the all-city finals. She was a great asset.

Stephanie Darensbourg & Marla Anderson, our "A" doubles, placed in a 3 way second-place tie with Dorsey & University.

The entire team should be congratulated for developing the maturity & Self-endurance so integral to participating & winning.

Basketball Has a Stellar Season

With only one starter returning from last year's team, the Crenshaw five was not expected to go far.

But guided by Coach Willie West, they went as far as a team could go-- to the City finals. That shows what a team can do if it has confidence in itself, and that's what the Cougars had.

The overall 17-4 included non-league losses to No. 2-rated Fremont, No. 1-rated Dorsey & Bay League Champ Inglewood. The fourth loss was the most surprising: 67-63 heartbreaker to Venice ending a string of 48 league wins dating back to the 1970-71 season.

Under Coaches West, Joe Weakley & Jeff Johnson, the Cougars overcame a large share of bad luck: 2 players disqualified for grades; Top guard Michael Knight missing games due to injuries, & top scorer (9.3) Gary Pickens turning an ankle at the start of the playoffs.

But most of the year was good. Junior center Ray Potlongo gave Cougar hopes a big lift, while 5'7" Jose Marcano became a spark plug for the team.

Other main men included forward Maurice Duckett, the only player from last year's team; second leading scorer Ted Gresham (9.1) at the other forward, and reserve forward Tyrone Brown, who averaged 8.7.

The Cougar BEES earned the crown in the toughest Bee league in years. The champions record was eight wins two losses.

Joe Barns had a fine season, leading the team in assisting and averaging 15 points per game. Guard Ronald Cook was top point man averaging 17. Both Joe and Ronald were voted first team all-league.

Second team all-league was top rebounder Darryl Young, who averaged 12 points per game. Reginald Funches and Tony Donnell consistantly played strong offense and defense throughout the year.

Ronald Hatchett, David Busby & Larry Shelton provided Coach Hurst with the depth that a championship team needs. The BEES lost nothing when they substituted, and they kept the pressure on throughout the game.

CEES Finish Second

The Cee basketball team finished second in Western League competition with a 7-3 record. Led by the league's Most Valuable Player, Tracy Shur, the team played good ball for most of the season.

Second team all-league Irving Jackson averaged 14 points a game and provided stability for the team, while forwards Reggie Davis, Gary Brown & Tim Harris all did well in controlling the boards.

Guard Tracy Shur averaged 17 points, agonizing opposing coaches with sharp passing and quick dribble-drives. The other guard, James Clay, also had a fine year.

Second in City!

The Cougars entered the playoffs on the crest of a successful season, riding a 15-game playoff win streak.

Following an effortless 64-51 victory over San Fernando, Crenshaw kept on trucking over Grant, where our fire was burning & the team was hot, 79-67. Brown, Portlongo & Buckett led a comeback from 9 points down.

In the semi-finals the flame flickered for a while as we trailed Jorden 66-52 with only 6:28 left. But the team pulled itself together & pulled even with the Bulldogs at the buzzer. Our light burned bright in the overtime, & finally illuminated a 79-77 victory with Gresham, Brown & Knight making key late plays.

And so Crenshaw, winner of 2 straight city championships (& 3 of the last 4), was to play Fremont, the team it beat for the title last year.

But history doesn't always repeat itself, & the Pathfinders played a great game at Pauley Pavillion, scoring 55 while holding Crenshaw to 36.

Cougar fans were treated to a fine season & a thrilling playoffs by its basketball team. They were proud of their team & the team could be proud of itself.

1975 was the initial year for Crenshaw's volleyball program. The turnout was good, & we fielded a representative competitive varsity & JV team.

Many good athletes received a chance to partake in the whole athletic program through volleyball--which on a broader scale is the function & value of high school athletics: to let young people experience the satisfaction of dedication, self-discipline & hard work knowing they've done the best they could.

Cross Country

1974 was a rebuilding year for the Varsity, which lost several runners to graduation & to the "B" football team. Competing in a particularly tough Western League, the team finished with a 2 and 5 record. Coach Merle McGee gave the nod to Frank Hood & Steven Page as top runners.

Junior Varsity

Although it lacked depth, the JV never gave up & competed intensely, finishing the season 2 and 5. Myron Perryman, Ricky Terry & Antonio Villarruel turned in some of the best performances.

KNEELING: Ricky Terry, Quinn Brumley, Lawrence Turner. STANDING: Lawrence Roberson, Myron Perryman, Howard Lee, Antonio Villarruel.

Tenth-Grade

Top 10th-grade runners were Kirt DuPart, who was defeated only once in dual meets & finished third in League championships, and Cecil Brown, who showed the desire & ability to run Varsity next year. The team had a 3 & 4 record.

KNEELING: Harold Griffen, Cecil Brown, Ronald Dickerson. STANDING: Anthony Batchelor, Heikes Powell, Kirt DuPart, Tyris Washington. NOT SHOWN: Brian Reese, Mark Douglas.

As the season opened, Coach Willie West & Asst. Coach Bobby Bell considered Venice & Westchester the teams to beat.

They were counting on pitchers Leroy Trahand (All-league at Compton), Ollie Perry, Reggie Williams, Treaver Shelton, & Clarence Jones for the mound strength so necessary in this tough league.

Second Baseman Myron Smith; 3B Tony Carr, 1B Winfred Crawford & SS Mark Henderson rounded out the starting infield. Cougar fans looked to Trahan, Carr & Donald Rollins for many runs & hits. Hard-hitting Irsie Henry, & speedsters Arthur Jupiter & Maurice Duckett opened in the outfield.

If a well-balanced offense & defense could be maintained throughout the season, Crenshaw would be able to challenge its rivals for the Western League championship.

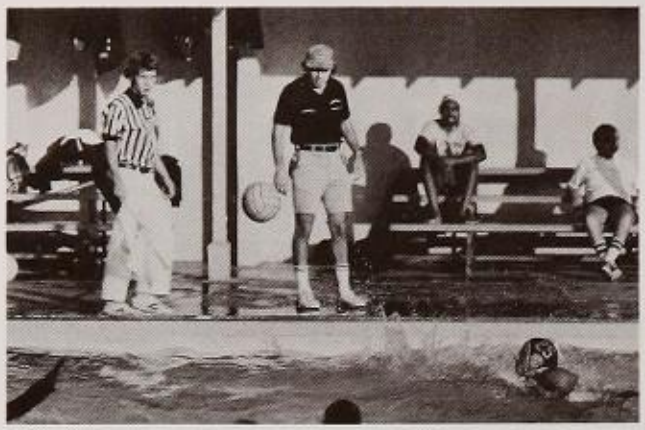
Swimming

Several of the Water Polo team members returned to the "Y" Pool in the spring to join the Swim Team.



Crenshaw's swim team is vastly improved this year, if squad size is an indicator. With over 40 swimmers on the squad, Coach Gary Pozzo can for the first time fill three teams: CEE, BEE & Varsity.

"I realize we're swimming in the toughest-rated league in the city, but I am very hopeful that my varsity will do well," he said. Leading the way is Kenneth Glover, Crenshaw's best swimmer, who is a definite threat to win city in the 50-yard freestyle as well as being one of the city's top butterfliers.

Other leading point-winners are William Arterberry in the 100 & 200 free, Weldon Goodman & Kenneth Hasley in the 100 breaststroke, Daryl Waggener (100 backstroke) & Wendell Goodman (200 individual medley, diving & 500 freestyle).

For the first time, the team has females on its squad. The BEE's are Kimberly Hollingsworth, who Coach Pozzo feels will be an outstanding breast-stroker. Leading Bee's are Lucy Johnson (free-style), Anthony Luckette, (freestyle) Clifford Keith and Cedric Armsted (backstroke) and Frank Armenta, (900 and 500 freestyle).

The CEE's, although inexperienced earlier in the season, will start to produce good times in league. Leading CEE's this year are Ronnie Haskins, (Individual medley and breaststroke) Donna Fullbright (50 freestyle), Dayle Colquitte, (free-style) Dawn Clark (backstroke), and Herman Lane (Butterfly.)

With a lot of work and lots of enthusiasm, Coach Pozzo's tankmen will make a big splash this year in the western league.

'74 Season a Success in More Ways Than One

We accomplished all our goals, though we didn't achieve our objective. Our won and loss record shows success, but more than that, we are proud that we helped get Crenshaw's student body together and solidify the community.

The team as a whole played well. I'm proud of the young men--their performance, unity, and a closeness I hadn't seen before. Barring circumstances, we could have won it all.

Quite a few players have gotten scholarship offers to further their education.

I'd like to thank the people who helped us: Mr. James Wilson, Carl Betts, Mr. Piercy and his TV staff, Mrs. Hairston and the cheering groups. Especial thanks to the Booster Club, who in addition to providing a fine banquet, try to unify the community in many ways besides boosting teams.

I don't want to forget our fine coaching staff, including volunteer coaches Fred Riley, a USC graduate student, and John Lopes, who came unpaid all the way from Westwood to help us with problems on and off the field. Then there are our excellent statisticians: Sharon Tillman, Karen Greene, Beverly Jones and Linda Wilson. Last but not least, thanks to Official Timer William Campbell and Athletic Director Lair Franklin.

We got as far as we did because of a team effort, and to single out any players for special recognition would be unfair.

As for next year's prospects, the team won't be as experienced as this year's. But we have a large number of exciting players returning, including Craig Richardson, Pierre Henry, Andrew Keel, Ronald Harper and Richard Triplett. While not as fast as this years team, we'll be quick, and we expect to provide our student body with an exciting team they can be proud of.

The Cougar's

Success for the Bees was measured in terms of the winning attitude, the spirit of togetherness and victory on the field.

I have never enjoyed a season as much as I enjoyed this past one. There wasn't a game where I found my faith in our ability to do a good job on the decline. We fought together--seldom with each other--and we won. (As a matter of fact, we won 6, lost 1 and tied 1).

There were so many good aspects of the season that I find it impossible to mention all. However, a few examples may be in order.

Peter Baker hit a Palisades back so hard on the opening kickoff that I knew we would win even though our hardest runner, Nelson Crosby, was ejected from the game on a controversial decision before it was two minutes old. Todd

Love broke free at Westchester when we were down 14-0, and all of a sudden we were in the game. Finally Todd scored again, making it 14-14.

And then there was our mainstay, old reliable Ronald Harper, best middle linebacker in the league. And let me not forget Weldon Goodman--Boy, could he hit! I have to mention the truly tough defensive backs, especially Justin Hall, Lewis, Jeffrey and William Jackson.

I'd be remiss if I didn't mention the line, including our pint-size ends, Harold Jackson and Steven Morris. Finally, there's Johnny Young, a.k.a. Jefferson Street Joe, our number-one man; without Johnny we would have had no season.

The most physically demanding sport there is was introduced this year at Crenshaw. The exciting new sport was water polo.

Our team, even though just starting out, played very well considering that they had to go against teams with two to four years experience. With only three seniors who started leaving, Coach Gary Pozzo's poloists will definitely be making a move towards the top in the city standings next fall.

Leading the way for the Cougars this year were Weldon Goodman, Kenneth Hasley & William Arterberry on offense. Leading defensive players were Kenneth Glover, Bruce McCraney, Dennis Douglas, & Daryl Waggener, who had the tough job of playing goalie.

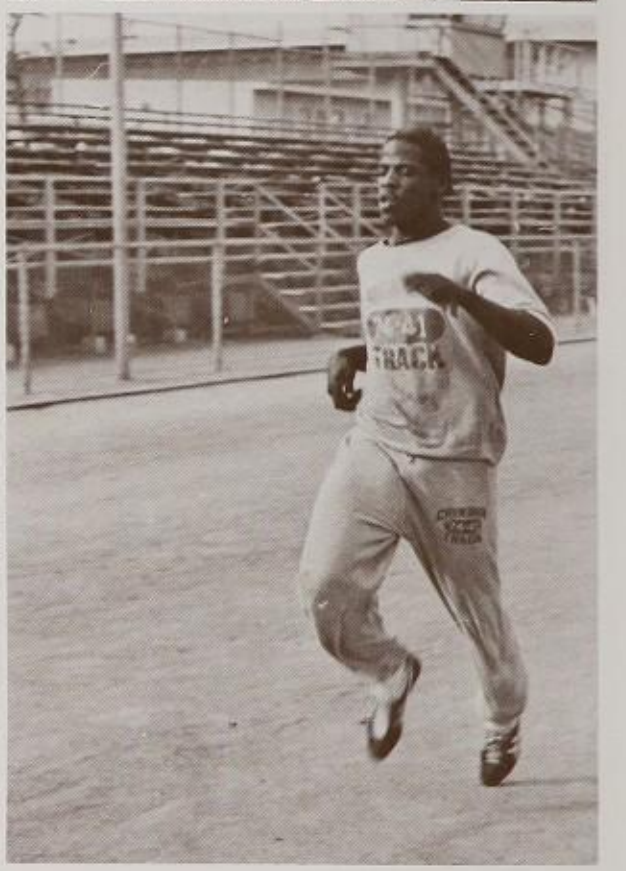
Athletics is an important part of a school's curriculum in that it builds strong bodies & strong minds for a successful life. Competition is a way of life in the U.S., & this essential must be taught in all educational institutions at all levels.

--Coach James Howzell



Competitive sports in high school are essential, because they enable students to release their frustrations & allow them to compare their abilities with others.

They help some students become better citizens, & teach them to live & survive in our competitive society. Athletics allow some students who are not gifted in other fields to excell in at least one field, namely sports.

In the days of ancient Greece, the Ephebians were a special order, the hope & pride of Athens. In Los Angeles high schools, they are a select group of honored seniors. Here is a translation of the ancient Ephebian oath:)

We will never bring disgrace to this our city, by any act of dishonesty or cowardice, not ever desert our suffering comrades in the ranks. We will fight for the ideals & sacred things of the city, both alone & with many.

We will revere & obey the city's laws & do our best to incite a like respect in those above us who are prone to annul or set them at naught. We will strive unceasingly to quicken the public sense of civic duty.

Thus, in all these ways, we will transmit this city not only not less, but far greater & more beautiful than it was transmitted to us.

Being President of this year's senior class has been an honor and a very enjoyable experience. It has given me a view on the role of being a leader as well as a follower, because in order to lead, you must be able to follow.

The Daraka ya Kimya's are truly a great class. They came together in '73, joined together in '74, and stayed together in '75. I would like to personally commend and give this class a standing ovation, for they are really the best class that has ever stepped in and that will ever step out of Crenshaw High.

Good luck in the future!

Senior Recognition Day

Boys' Gym March 5, 1975

MALE DANCERS: Front; Todd Love, William Summers, Rodney Rogers; Back: Howard Lee, Eric Wilson. FEMALE DANCERS: Front: Debbie Henry, Annette Daniels; Back: Pat Morgan, Natalie Kelly, Lanaeia Threatt. CHEER-LEADERS: Top to Bottom: Gwen Buford; Adrienne Lee & Debra Perkins; Marie Davis & Linda Wilson; Linda Burton.

Senior recognition's purpose has always been to give recognition to the seniors. In past years, though, it turned out to be a junior-senior debate. But this year the " "Daraka Ya Kimya" (class of silent strength) wanted to give the juniors some inspiration to become seniors.

The program opened with our welcome by Petre Pleasants & some remarks by Class President Benita Dowell. After a class song, "There is No Peace," written by Student Body President Cynthia Barnes, we had selections by our Senior Dancers, Cheer-leaders, guest schools, a guest band, & our school choir Senior Ensemble.

A highlight was the candid slides Keith Anderson took & developed of both juniors & seniors. Inspirational remarks to the juniors and our last class song, ("Can You Remember?" arranged by Karen Greene), closed the program.

1975's Senior Recognition was a success because of the good attitudes of both juniors & seniors. The program was well planned and not much time was lost.

Thanks to all who took part and to our sponsors, Mrs. Alfreda Peterson & Mr. Bill Wilbur.

In the years to come, I wish the junior class, Femi Folami, the best of luck.

--Edwina Parson

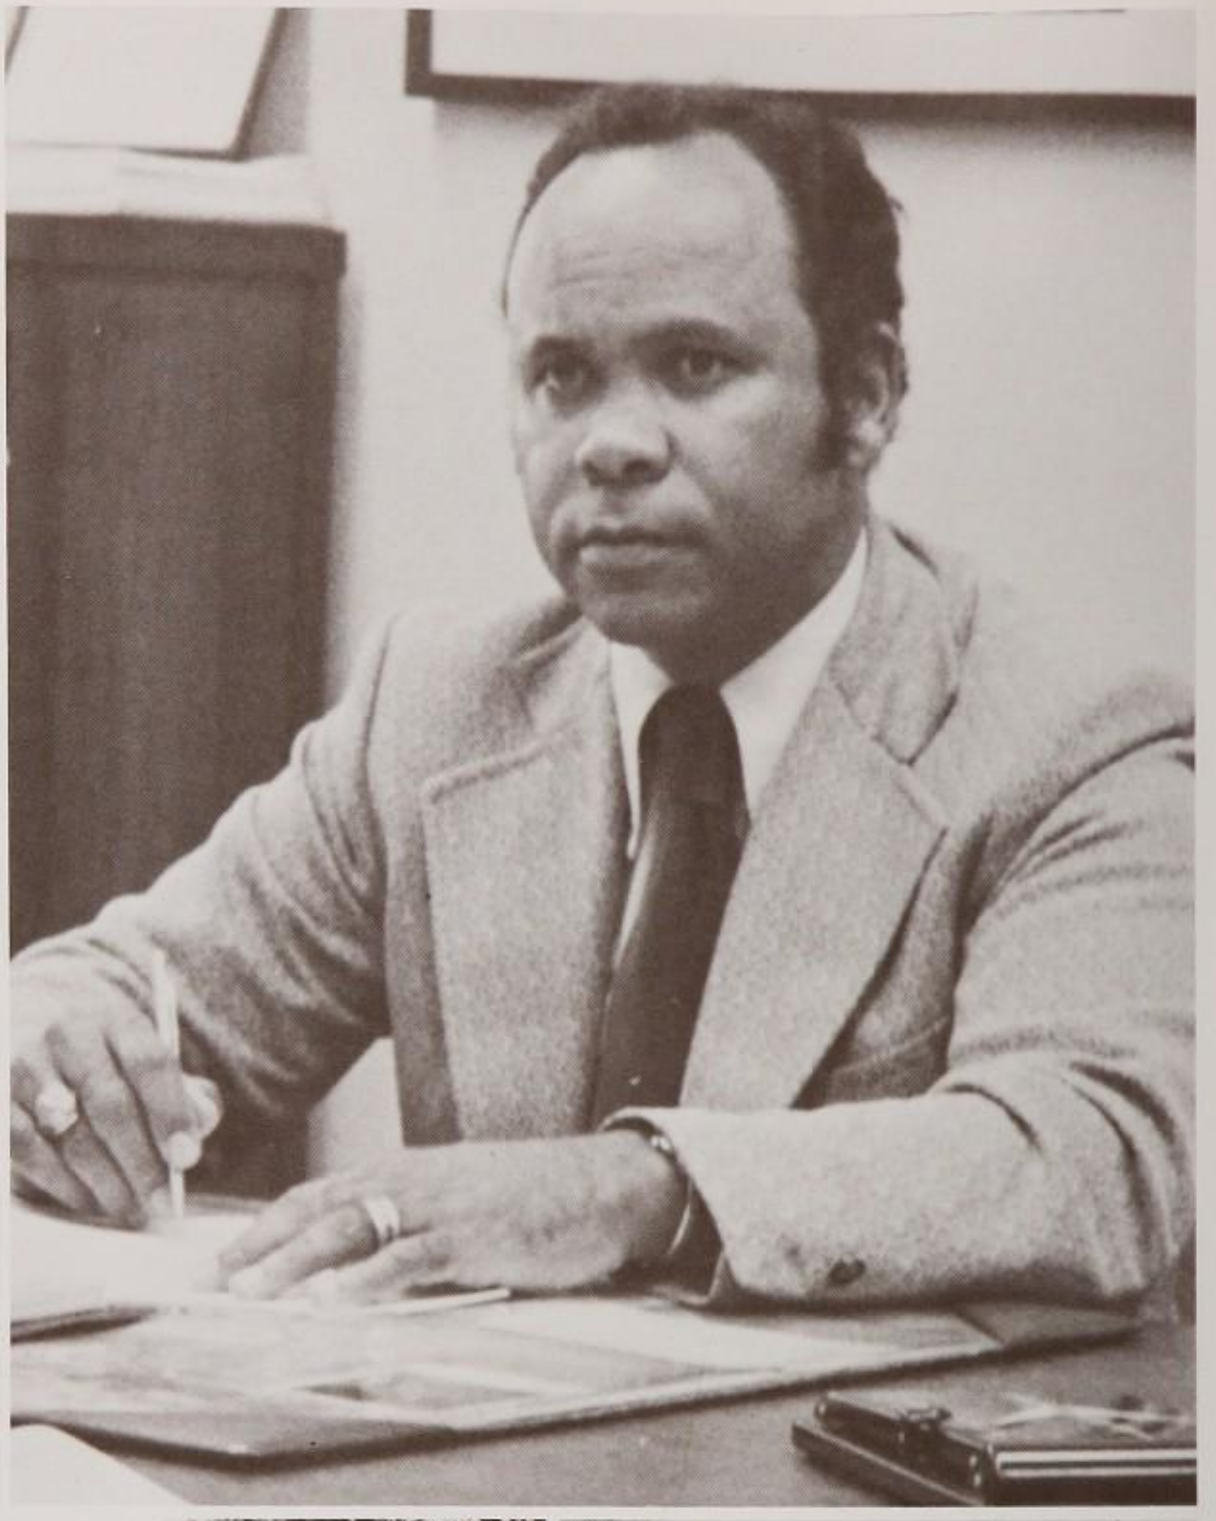
Recognition Day.

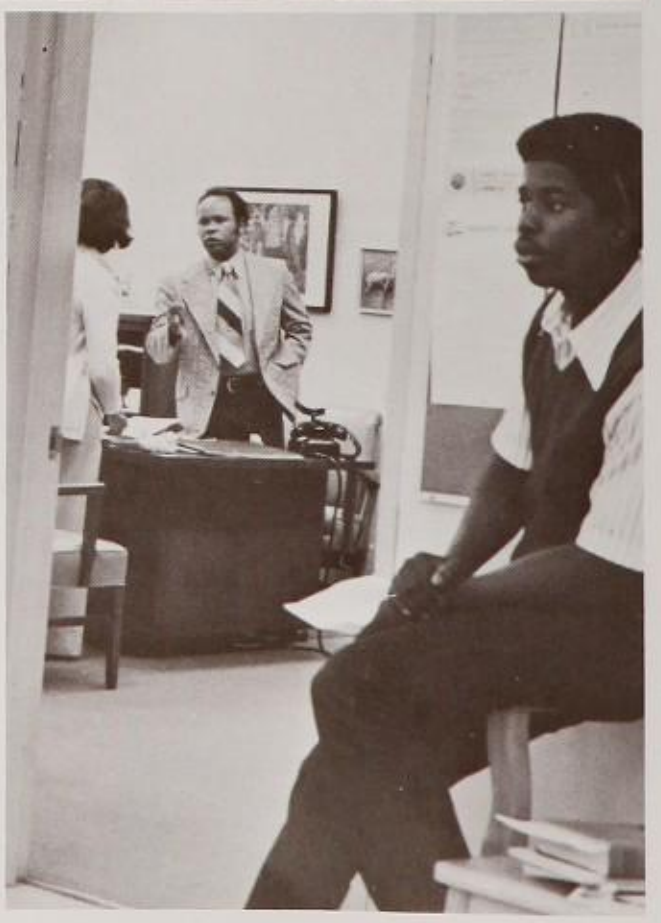
Faculty



This school year gives every promise of being a true turning point for Crenshaw High School's educational program.

The Theme for all schools in Area E is Instructional Excellence. There is no better time than now for us as a staff, faculty, student body and community to dedicate ourselves to this excellence.

Sidney A. Thompson



TOP: Textbook Clerk Eva Thomas, Nurse Juliet Howitt, Asst. V-P Mary Covington. SECOND ROW: Asst. Principal Virginia Hairston, Asst. BVP Otis McKinney, Referral Room Teacher Jane Leon. THIRD ROW: Asst. Principal Jim Ball, Head Counselor Flossie LaFond, Asst. BVP Mel Powell. BOTTOM: Registrar Jewel Boutte, Asst. BVP Larry Higgins, Librarian Agnes Linhart.

Administration

As an innovation, The Cougar's Path is printing each teacher's Zodiac sign and years of teaching.

Comings and Goings

Not all our education came from books and teachers, and not all of it took place on campus. Distinguished visitors came to Crenshaw, & our students went out into the community to learn.

LEFT: Principal Thompson is joined by Councilmen Robert Farrell & Boxing Great Sugar Ray Robinson. Cynthia Barnes learns first hand about the Fire Dept. BELOW: SWAS field-trippers visit the Art Museum. Congresswoman Yvonne Burke addresses social studies classes.

A Final Reflection

Cougar Spirit has been reflected all through this book. We thank the students, clubs, service organizations, teams, performing groups, fans, teachers & administrators--all the ingredients that make up Crenshaw's superior being.

The paths that the ambitious & talented young Cougars on our pages will travel will not be easy, but you may be sure that Crenshaw High School has put ambition & skills into their young, aware minds.

We Cougars stand unmatched in spirit & dedication to our cause. We strive for the best. And if we should fail, our Cougar spirit is there to bring us back up.
